	Tasks – at least 1 hour per week	How will it be marked?
Year 11	• 1 consolidation activity per topic	Self
	• 1 revision activity per topic	Peer
	• 1 extension activity based on topics being studied in class	Teacher
	• Appropriate GCSE exam questions	Self/Peer/Teacher

### Extension Activities

In addition to homework set there are a number of extension activities that can be undertaken by students to improve their understanding and skills.

There are many extension activities that students can do to develop their knowledge and understanding of maths, from the everyday to the extraordinary.

Involve your children in activities that involve measuring, shopping, planning holidays and other financial decision making.

Then there are web sites, for example:
