

Year 7

	Term 1a	Term 1b	Term 2a	Term 2b	Term 3a	Term 3b
Topics Covered	The Big Adventure	Courage and Conflict	Barnsley: Past, Present and Future	Telling Tales	Active Citizenship and Independent Enquiry	The Big Adventure
Overview	A unit focused on raising self esteem and problem solving capabilities by encouraging students to see this new beginning as an adventure to be enjoyed.	A unit encouraging students to think about the nature of courage and the reason for conflict by thinking about their own lives and the lives of significant people in history.	A unit focused on the local area, encouraging students to examine their local history as well as imagine the future.	A unit focused on the creative use of writing as a way of allowing Year 7 to help Year 6 students transition.	This unit is still under development: it is envisaged that it will allow students to assess their own progress throughout the year and give them the opportunity to participate in a meaningful project of benefit to the wider school community.	A unit focused on raising self esteem and problem solving capabilities by encouraging students to see this new beginning as an adventure to be enjoyed.
