Dear Parent/Guardian

Re- School Bus Services from September 2008

Following recent changes and publications from the Local Authority, please find below a list of bus services available to and from school in September.

As you are aware students travelling to school can catch any of the services listed below. The school requires you to provide us with the service your child uses on their return journey from school. Please select from the list, on the reverse of this letter, a bus route that best suites your child's needs and return this form to school by Friday 18th July.
